Documenting Results and Value to our members and publicizing your project:
If SFRH&MS funding is provided for the purpose of acquiring and/or restoring equipment and/or facilities, we would like to help publicize your efforts by sharing visual proof of progress with our more than 2,000 members – those who provide the money for these projects. We ask that you provide either sharp, color, photographic prints or transparencies, or digital images we can use in our *Running Extra* newsletter or *Warbonnet* magazine. Prints, transparencies or CDs containing 300 dpi JPEG format images depicting the "before" and "after" condition of the equipment/facility should be sent to the address below, or digital images could be sent electronically to SFRH&MS Treasurer Mike Martin at mamartin20@aol.com. Please only send material that you do not wish to have returned because we would like to add it to our archives.

The Santa Fe Railway Historical & Modeling Society (SFRH&MS) Board of Directors will evaluate each donation request on its own merits. Granting of donations is solely at the discretion of the SFRH&MS Board of Directors and submission of an application is no guarantee of approval. Projects involving preservation of Santa Fe archives, artifacts and equipment will be given priority. You will be notified of the Board's decision within 6-8 weeks after your submission. Larger donations may be made in multiple payments mutually agreed upon by the SFRH&MS and your organization.
