APPLICATION FOR REGULAR LIFE MEMBERSHIP

Regular Life Membership in the Santa Fe Railway Historical & Modeling Society is open to any natural person upon application to the Secretary and payment of fees.

Benefits

Regular Life Members have a lifetime membership in the Society and will receive a lifetime subscription to *The Warbonnet*, the Official Magazine of the Santa Fe Railway Historical & Modeling Society, and the *Running Extra*, the Society's Newsletter, or any successor publications. The Society may, from time to time, offer an additional discount over and above the regular members' discount on books and Society merchandise. In general, the discount is anticipated to be an additional 10% off the membership rate. The lifetime membership is irrevocable; all other benefits may be altered by the Board in the event of imperative necessity.

Fees

Fees are calculated as follows:

$$\text{Fee} = \text{US\$}1000 + 0.5 \times (70 - \text{current age (up to 70)}) \times \text{Applicable Regular Member Rate}$$

The Applicable Regular Member Rate is the rate applicable to you: \$30 in the United States; \$40 in Canada/Mexico; and \$55 Foreign. Thus, a 60 year old member in the United States would pay US\$1150.00 [$\$1000 + 0.5 \times (70 - 60) \times \30]. A 60 year old member in New Zealand would pay US\$1275.00 [$\$1000 + 0.5 \times (70-60) \times \55]. The difference is due to higher postage costs.
